

## **Expression of Interest**

### **Food and Beverage Concession Operation West Fraser Centre, Quesnel, BC**

The City of Quesnel and Cariboo Regional District are seeking submissions from proponents interested in operating a food and beverage concession in the new West Fraser Centre in Quesnel, BC. The West Fraser Centre will have a spectator capacity of 1,450 and is expected to open September 16, 2017.

The concession space will be located on the spectator concourse of the new arena and can serve patrons both in the concourse and in the adjoining multi-purpose room. The concession space is approximately 200 square feet. The concession will include a two-part sink, a single sink, range hood, counter space and cabinets. Space provisions have been made for a dishwasher, range, microwave and fridge/freezer.

The City/CRD are issuing this Expression of Interest as the initial step in securing a food service provider for the concession. Respondents to this Expression of Interest may be invited to enter into discussions with the City/CRD regarding terms for a potential contract. The terms and conditions of an agreement are all negotiable.

Respondents to this Expression of Interest should provide the following information in their submission:

- The name and contact information for the proponent
- A summary of the food service experience of the proponent
- A brief description of the proposed menu or menu concept
- A brief overview of the community benefits or benefits to the local economy associated with your proposal

Submissions will be received via email to [jnorburn@quesnel.ca](mailto:jnorburn@quesnel.ca) until 4:30 pm, June 2, 2017.
